VIN # WDD043772G312370  
Registration # C63507  
WOF: Yes  
Milage: 69500 Kms  
NZ New: No, Australian Import

## **Description of Vehicle:**

We have assessed this vehicle and arrived at a value specifically for insurance purposes as requested by the owner.

This is a 2014 Mercedes-Benz C63 Edition 507 Coupe with great mileage for its age. The vehicle was purchased by the current owner from Australia as a lightly damaged vehicle and has since undergone a full repair process by the team at Matamata Panelworks. The repairs have been carried out to a flawless standard and the vehicle is now in superb overall condition.

The Mercedes-Benz C63 AMG Edition 507 is a very rare car built as a last hurrah to the popular C63 W204's magnificent 6.2-litre naturally aspirated V8 engine. Edition 507 models were built in strictly limited numbers and have become extremely collectible worldwide.

There were 3 variations of the Edition 507 manufactured between 2014 and 2015, a two door coupe, a four door sedan and a five door estate. This particular vehicle is a 2 door coupe version.

In simplest terms, the Edition 507 is a super potent Mercedes-Benz C63 in a package that's designed for everyday use. The "507" denotes the horsepower of the 6.2-liter V8, which has been lifted straight from the SLS AMG supercar. The hand-built engine is lighter than a normal C63 and uses an uprated ECU, new conrods, a lightweight crankshaft and forged pistons.

This results in a 0 to 100 km/h acceleration time of 4.2 seconds and a limited top speed of 280 km/h (174 mph).

In addition, brakes, wheels, suspension, aluminium bonnet, rear boot spoiler and other parts have been enhanced to make the Edition 507 one super quick performance car. Many parts including the bonnet have been borrowed from the legendary AMG Black Series.

In keeping with Mercedes-Benz luxury performance tradition, the cabin is trimmed in black leather, which is complemented by a Alcantara-rimmed steering wheel and gear knob, gloss piano black trim, race style AMG bolstered sports seats and 'Edition 507' badging on the dashboard.

Standard Edition 507 Features include,

- Full Leather Trim
- Dual Zone Climate Control
- Glass Panorama Sunroof
- 7 Speed MCT Auto Gearbox with Paddle Shifters
- 19" Lightweight AMG Forged Alloy Wheels
- AMG Composite Brake Rotors with Red AMG Performance Calipers
- Multimedia Package with Bluetooth, Navigation & Rear Camera
- Harmon Kardon Hi-Fi System
- Adaptive Bi-Xenon HID Auto Lights
- Power Memory Seats and Power Adjust Steering Column
- Drive Assistance Package (Distronic Cruise Control, Lane Keeping & Blind Spot)

## Conclusion and Valuation:

This vehicle is presented in immaculate condition and there is no doubt that a limited-edition car such as this would be an instant attraction for any Mercedes-Benz enthusiast or car collector.

Unfortunately due to having a damaged import flag marked on its ownership history the value will always be slightly less than that of an undamaged equivalent model.

With that in mind I can conclude that this 2014 **Mercedes-Benz C63 AMG Edition 507** has a current market value of \$79,995 NZD (Seventy Nine Thousand Nine Hundred & Ninety Five New Zealand Dollars) as at 30 January 2024.

A handwritten signature in black ink, appearing to read 'Ross Prevette'.
